Club Schedules

Which Program Should I Join?

League

If you have the stamina to bowl three games, are interested in joining and picking your team, are able to alternate lanes and want to learn new techniques along with proper lane etiquette then the league style program might be for you. With this program you will have the chance to earn recognition and rewards while trying to improve your score each week.

Leisure

If you desire to bowl at your own pace, need more assistance, and want to bowl 1 to 2 games then this program may be the better option for you. With this program you have the freedom to use bumpers while you bowl and remain on the same lane for each frame.

Whichever program you select, you are sure to have fun. All members will receive a club t-shirt, a score keeping tri-fold, an opportunity to end the season with a special tournament.

Sessions Offered:

This year we will be offering three sessions: spring, summer and fall. The spring and fall sessions will meet on Saturdays and the summer session will meet on Sundays.

Registration Information:

Registration is required for all participants. Application and payment are due prior to the first event. To obtain registration materials or learn more about any program RADD offers, visit our website at www.radd-cpa.org and if that's not an option call to have materials mailed to you.
