Pre-registration is a requirement of the program, as space is limited. Applicants must have an identified developmental disability, be able to function in a group of two or more, have the ability to understand and follow simple directions and possess the means to communicate their basic needs. Low staff to participant ratios allow members the opportunity to know one another and form close friendships. Camp also allows campers the chance to practice turn taking, learn new skills and it introduce the youth to a world of new experiences. *For more information Contact Julie Willoughby or Corrine Baer at 633-0291 or visit our website at www.radd-cpa.org*
