

# Camp Kinder

Summer 2009

## Fifth Week of Camp

We had a great start to Session Two this week! Everyone is getting to know each other so well, and we had a few great new campers this week! Attendance has finally gone back up, so we are excited to be so busy and active! We had great trips to the beach and downtown this week! It is the incredible that we have already completed the fifth week of camp!

## Week Six: Lions and Tigers and Bears, Oh My!

We can't believe that it's already the sixth week of camp!

**Monday** We are playing many games and having a visit from the Countryside Humane Society! Everyone should bring his or her favorite stuffed animal!

**Tuesday** We are playing more games, enjoying some music, and going to the park!

**Wednesday** We are going to see *Kung Fu Panda* at Marcus at the Renaissance! We will be spending the day there, and campers should wear their camp shirts and bring \$3 for ice cream at the Marble Slab!

**Thursday** On Thursday, we are going to the Milwaukee Zoo! **THIS WILL BE AN EXTENDED CAMP DAY. For those who are transported by Durham School Services, morning pick-up will be up to one hour earlier than your usual pick-up time. IT IS IMPORTANT THAT YOU ARE PROMPT.** Durham buses will do their morning routes and then meet other campers/staff in the Hardees Parking Lot (1235 South Green Bay Road) at 8:30am. **For campers who are transported by parents, we ask that you meet us at Hardees by 8:00am to board an additional van/bus.** We expect to arrive at the zoo by 9:30 am and leave by 2:30pm. Campers transported by Durham will be dropped off on the way back into Racine. Campers who are transported by parents should meet us back at Hardees by 3:30pm.

Campers should wear their camp shirts this day, bring a lunch, and you may send money with your child for souvenirs or snacks.

**Friday** We are having a puppet show on Friday! We will help make puppets, and special guests are coming to perform for us on this day! It is going to be a great time!

## Get to Know Your Camp Kinder Staff!

### Micah Anderson-Level Three Counselor

This is my first summer as a counselor at Camp Kinder. I am very excited to start working and look forward to meeting the campers. I really enjoy coming up with fun activities for the campers. I am currently going to Concordia University of Wisconsin where I am studying Athletic Training. I will hope to bring what I have learned from school and adapt my skills to the campers. Again, I am super excited to start my first summer at Camp Kinder!

### Drew Willoughby- Level Three Counselor

This is my second summer as a level three counselor at Camp Kinder. I began volunteering for the agency in 2004. Not only do I work for camp, but I also work for Youth Respite and several adult recreation programs. I love spending time with the campers – This is such an incredible job. I love seeing the campers happy. In my spare time I love to drum. I will be a Senior at Park High School in the fall.

### General Reminders

If you still have not filled out a medication request form so that your child can use sunscreen and bug spray at camp, please do so immediately. Also, please be sure to send your child with a water bottle every day and please keep an extra set of clothes in their bag at all times. Thank you very much!
